- Plan support for CIOC realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.

The SENCO is responsible for:

- Ensuring they are involved in reviewing PEP and care plans for CIOC and PCIOC.
- Liaising with the class teacher, designated teacher, specialists and parents when considering interventions to support the progress of PCIOC.

4. Personal education plan (PEP)

All CIOC must have a care plan; PEPs are an integral part of this care plan.

The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child. The PEP will be reviewed termly.

The school, with other professionals and the child's carers, will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances. All relevant bodies, such as the LA, the designated teacher and carers, will involve the child in the PEP process at all stages.

The PEP will address the pupil's full range of education and development needs, including:

- Access to nursery provision that is appropriate to the child's age.
- On-going catch-up support, which will be made available for children who have fallen behind with work.
- Suitable education provided by the LA, where the child is not in school because of suspension or exclusion.
- Transitional support where needed, such as if a child is moving to a new school.

- School attendance and behaviour support, where appropriate.
- Support to help the child meet their aspirations, which includes:
 - Support to achieve expected levels of progress for the relevant national key stage and to complete an appropriate range of approved qualifications.
 - Careers advice, guidance and financial information about FE, training and employment, that focusses on the child's strengths, capabilities and the outcomes they want to achieve.
 - Out-of-school hours learning activities, study support and leisure interests.

The VSH and the designated teacher will ensure that information is included within a CIOC or PCIOC's PEP surrounding how they are benefitting from any use of PP+ funding to improve their attainment. Any interventions supported by PP+ will be evidence-based and in the best interests of the pupil.

5. Working with agencies and the virtual school head (VSH)

The school will ensure that copies of all relevant reports are forwarded to the social workers of CIOC, in addition to carers or residential social workers.

The school will coordinate their review meetings; for example, hold their annual review of LAC with their statutory care review.

The school will work with other agencies to exchange information, such as changes in circumstances, exclusions or attendance issues, taking prompt action, where necessary, to safeguard CIOC and PCIOC.

Behaviour management strategies will be agreed between the VSH and the school, to ensure challenging behaviour is managed in the most effective way for that individual child.

The designated teacher for CIOC and PCIOC will communicate with the VSH and child's social worker to facilitate the completion of the PEP.

Through the designated teacher, the school will work with the VSH, social worker and other relevant agencies to monitor any arrangements in place so that actions and activities recorded in the child's PEP are implemented without delay. The designated teacher will communicate with the VSH and agree on how PP+ can be used effectively to accommodate the child's educational attainment and progress.

PP+ for PCIOC will be allocated directly to, and managed by, the school. The school will work with the VSH to manage allocation of PP+ for the benefit of our cohort of CIOC, or PCIOC, and according to their needs. If deemed necessary, the school will allocate an amount of funding to an individual to support their needs.

The designated teacher will ensure consistent and strong communication with the VSH regarding CIOC who are absent without authorisation.

The school will share their expertise on what works in supporting the education of CIOC and PCIOC.

6. Training

The designated teacher and other school staff involved in the education of CIOC and PCIOC will receive the appropriate training, including information about the following:

- School admissions arrangements
- SEND
- Attendance
- Exclusions
- Managing and challenging behaviour
- Promoting positive educational and recreational activities
- Safeguarding

The Local Academy Committee will ensure that staff are equipped with the skills, knowledge and understanding necessary to keep CIOC and PCIOC safe through training.

7. Safeguarding

The school recognises that many CIOC and PCIOC have experienced trauma, abuse or complex family circumstances that have led to them being placed in care, and will ensure that all staff are aware that experiences of adversity such as these can leave pupils vulnerable to further harm or exploitation.

All staff will be trained to recognise signs and indicators of safeguarding concerns and will ensure that extra vigilance is practiced in observing and identifying these indicators amongst CIOC and PCIOC as soon as possible.

Where a looked-after child or previously looked-after child has a social worker, this will inform decisions about safeguarding, e.g. responding to absence from education where being absent from education may increase known safeguarding risks within the family or in the community.

The headteacher will implement appropriate pastoral support services in place throughout the school to ensure that the welfare of CIOC and PCIOC can be adequately protected to the extent that reflects their increased vulnerability.

Staff will be encouraged to report to the DSL any concerns they have over CIOC or PCIOC in line with the processes outlined in the Child Protection and Safeguarding Policy.

When there is reasonable cause to suspect that a CIOC or PCIOC is suffering or is likely to suffer significant harm, the school will collaborate in the multi-agency strategy discussion where appropriate to determine the pupil's welfare and plan rapid further action as necessary. The school's representative at any strategy discussion meetings will be sufficiently senior, skilled and experienced, and authorised to make decisions on the school's behalf. Information and analysis about the pupil and their family will be provided as required.

Staff will be regularly encouraged to look for signs of bullying and report to the designated teacher if they believe a looked-after child or previously looked-after child is being bullied, as this can have a particularly negative impact on pupils who have early experiences of rejection or abandonment.

8. Pupil mental health

CIOC and PCIOC are more likely to experience the challenge of social, emotional and mental health (SEMH) issues which can impact their behaviour and education. The designated teacher will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health.

The designated teacher will work with the VSH to ensure the school is able to identify signs of potential mental health issues, understand the impact issues can have on CIOC and PCIOC, and knows how to access further assessment and support, where necessary.

The school understands that the increased frequency of mental health problems amongst CIOC and PCIOC may present a barrier to adequately identifying when mental health problems are indicative of a safeguarding concern. For this reason, the designated teacher will ensure that they, and all staff who maintain regular contact with CIOC or PCIOC are vigilant surrounding any changes in the mental health, behaviour, social inclination or mood of these pupils.

A strengths and difficulties questionnaire will be used on a regular basis to help social workers and other relevant professionals to form a view about CIOC and PCIOC's current emotional wellbeing. Teachers will complete their element of the questionnaire to assist social workers in their assessment.

The school's senior mental health lead will work alongside the designated teacher to promote the wellbeing and mental health of CIOC and PCIOC, and will always either be a member of, or be supported by the senior leadership team and could be the pastoral lead, SENCO, or DSL.

The school's SEMH Policy will be adhered to when dealing with all potential or explicit mental health issues that CIOC or PCIOC may face.

9. Suspension and exclusion

Past experiences of CIOC and PCIOC will be considered when designing and implementing the school's Behaviour Policy and Suspension and Exclusion Policy.

The school will have regard to the DfE's statutory guidance '[Suspension and permanent exclusion from maintained schools, academies and pupil referral units in England, including pupil movement](#)' and recognises that suspending or excluding CIOC can make them more vulnerable to harm due to not having the protection and opportunities school provides. The headteacher will balance this recognition alongside the need to ensure calm and safe environments for all staff and pupils, devising strategies that take both into consideration.

Where the school has concerns about a CIOC's behaviour, the VSH will be informed at the earliest opportunity. As far as possible, the school will engage proactively with the social worker or carer of a CIOC to provide appropriate support for underlying issues that may be causing poor behaviour and improving this behaviour.

As part of the termly review of a pupil's PEP, any concerns about their behaviour will be recorded, alongside information on how they are being supported to improve this and reduce the likelihood of exclusion.

Suspension or permanent exclusion will only be used as a last resort. Permanent exclusion will only occur where there has been serious and/or persistent breaches of the school's Behaviour Policy, or where allowing the pupil to remain in school would seriously harm the education or welfare of others.

Where a looked-after child is at risk of being suspended or permanently excluded, the school will engage with the designated teacher and the pupil's parents, or other individuals involved in the pupil's care. The designated teacher will contact the VSH as soon as possible to work together, and with other relevant individuals, to consider what additional assessment and support needs to be put in place to help the school address the factors affecting the pupil's behaviour and reduce the need for suspension or permanent exclusion.

The school will inform parents that they can seek the advice of the VSH on strategies to support their child to avoid exclusion.

Where a looked-after child is excluded, the school will document the provision of immediate suitable education in the pupil's PEP.

10. Pupils with SEND

Support for CIOC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews.

The SENCO, class teacher, designated teacher and specialists will involve parents when considering interventions to support their child's progress. If appropriate, the VSH will be invited to comment on proposed SEND provision for PCIOC.

The designated teacher and the SENCO will ensure that CIOC and PCIOC with SEND are supported in line with the SEND Policy, with extra consideration given to the fact that some of the usual procedures for supporting pupils with SEND may lack applicability for CIOC, e.g. where CIOC are in residential care and, thus, will have their EHC plans taken care of by the LA rather than the general stipulation of the place where they are ordinarily resident.

11. Information sharing

Appropriate and specific arrangements for sharing reliable data will be put in place to ensure that the education needs of CIOC and PCIOC are understood and met. The arrangements set out include:

- Who has access to information on CIOC and PCIOC and how data will remain secure.
- How pupils and parents are informed of, and allowed to challenge, information that is kept about them.
- How carers contribute to and receive information.
- Mechanisms for sharing information between the school and relevant LA departments.
- How relevant information about individual pupils is passed between authorities, departments and the school when pupils move.

School staff will be proactive in sharing information as early as possible to help identify, assess, and respond to risks or concerns about the safety and welfare of pupils. This will

include sharing information about any adults with whom a pupil has contact, which may impact the pupil's safety or welfare, where necessary.

Staff members will ensure that fear of sharing information does not stand in the way of their responsibility to promote the welfare and safety of CIOC and PCIOC. If staff members are in doubt about sharing information and data protection legislation, they will speak to the DSL.

The school will aim to be as transparent as possible by telling families what information they are sharing and with whom, provided that it is safe to do so.

12. Monitoring and review

This policy will be reviewed on an annual basis by the designated teacher and the headteacher.

All changes to this policy will be communicated to all relevant stakeholders.
