## Year 3/4 Summer Term 2 Newsletter

During Summer Term 2, in English, Year 3/4 pupils will study "Arthur and the Golden Robe" by Joe Todd Stanton and will use it to help them to write for a range of purposes. In maths, pupils will be learning about fractions, including non-unit fractions and fractions greater than 1, helping them to understand how fractions relate to shapes, quantities and number. Pupils will begin a new art topic, in which they will explore working in 3 dimensions looking at festival feasts. Their geography topic will teach them about foods around the world, whereby pupils will consider where our food comes from. The science topic for Summer 2 is, 'Working Scientifically', in which pupils will apply science skills taught to complete a project. In PE, pupils will be preparing for their sports day at Brougham Primary School. In RE, pupils will explore 'Why do people visit Durham Cathedral today?', thinking about the significance this has for Christians and in computing, they will continue to look at programming – computational thinking. Their music topic will involve learning how music shapes our way of life by connecting notes and feelings, whilst their MFL topic will continue with time.
